

To our esteemed members and valued supporters,

It is with immense pride and gratitude that I warmly welcome you to the Commonwealth Countries League Centenary website.

Here you will find all the information about our upcoming events and activities planned for 2025.

You are welcome to join us and be a part of history as we mark a century of impact and progress from 1925 to 2025. Our celebrations begin with a prestigious Afternoon Tea at the House of Lords on 22 May 2025.

Throughout the year we will host:

- The International Children's Peace Assembly, tree-planting initiatives
- Alice Hemming Lunch at the House of Lords
- Centennial Commonwealth Fair
- Centennial Gala Evening

All of our events are designed to honour the legacy of our founders and inspire future generations. Join us in celebrating a Century of Change, and together we will shape the next hundred years with hope, purpose, and unity.
